

New Polycarbonate Connection System

ECP 2G (Easy Clip 2G)

- Easy Installation
- Strong
- Water Proof
- Esthetic

Other systems – needs an additional worker to support the base while connecting the cap.
 New system - doesn't need the additional worker when connecting the cap to the base.

With the cap connected to the base, the new design has high resistance to negative wind load. The new base profile design when connected to cap profile prevents water leaking into the connection

The new ECP 2G connection system accessories

Polycarbonate Cap Profile (cat # 232)	
Polycarbonate Base Profile for 4 and 6 mm MWPC sheets (cat # 233)	
Polycarbonate Base Profile for 8 and 10 mm MWPC sheets (cat # 234)	

Polygal is the leading manufacturer of structured Polycarbonate sheets, and is known throughout the world for the outstanding quality of its products. Polygal was the first manufacturer in the world to create structured Polycarbonate sheets, and over the last 35 years has developed and produced a broad spectrum of these products, which are successfully covering a full array of structures worldwide.
