

# TEN YEAR LIMITED WARRANTY FOR PETG (POLYETHYLENE TEREPHTHALATE GLYCOL-MODIFIED) UV SHEETS - "PLAZGAL PETG UV"

Plazit 2001 A.C.S. Ltd. warrants PLAZGAL PETG UV solid sheets, manufactured by Plazit 2001 A.C.S. Ltd., for a period of 10 years (ten years) from the date of original purchase, for the following properties:

- Loss of light transmission – Diff in % light transmission will not be greater than 10, comparing to the % light transmission original value, when measured in accordance with the procedure specified in ASTM D1003- 07 (Procedure A, illuminant C).
- Modulus of elasticity  $\geq 1900$  MPa, when measured according to ISO 527-2.
- Tensile stress at yield  $\geq 40$  MPa, when measured according to ISO 527-2.

This warranty is given according to the following conditions:

1. A notification to Plazit 2001 regarding the faulty products was made during a period of 10 years from the purchase date of the faulty products (hereinafter "the Warranty Period") and without delay.
2. The invoice issued to the faulty products is presented to Plazit 2001, showing the name and address of the customer, the purchase date and a detailed description of the products purchased.
3. The fault in the products occurred despite complete demonstrable adherence to Plazit 2001 product's handling and use instructions, including:
  - a) Installation of PLAZGAL PETG UV (UV protection layer) with the protection layer facing the sun radiation. No significant sun radiation will be by reflections at the unprotected side.
  - b) The product has used in a manner suitable to the material (transported, stored, installed).
  - c) The product was not be adversely affected by connecting, fixing and/or sealing elements.
  - d) The product was protected against the adverse influences of chemicals.
  - e) The product has not thermoformed.

If the claim is determined to be justified, the material will be replaced or refunded according to the value scale below and further claims will be not accepted.

Calculation of the replacement cost or refund will be according to the time elapsed from original purchase:

Up to 5 years: 100% of the material will be replaced.

Between 6 - 7 years: 60% of the material will be replaced.

Between 8 - 10 years: 30% of the material will be replaced.

The warranty detailed hereinabove is the full and only warranty given by Plazit 2001 A.C.S. Ltd. to the Customer and Plazit 2001 A.C.S. Ltd. shall not be liable for any damages to the Customer, other than as specifically stated hereinabove.

DISCLAIMER: The data in this advertisement are provided in good faith and constitute general information without commitment and no warranty is given or implied. Our plastics products are a combustible thermoplastic that complies with various and national international standards, as customary in each country. Avoid exposure to excessive heat or aromatic cleaning solvents. Normal fire precautions should be taken to protect against combustion.
